

Reisterstown ~ Owings Mills ~ Glyndon  
Coordinating Council

July 2021

The Reisterstown-Owings Mills-Glyndon Coordinating Council (ROG) was established in 1973 as a clearinghouse and a coordinating agency for the promotion and advancement of the civic, religious, economic, educational, cultural, and social interests of the ROG communities. In its forty seventh year of existence, ROG has been at the forefront of many vital issues affecting our community such as the Northwest Expressway (795), the development of the Owings Mills Master Plan, the restoration of the Hannah More Center, revisions to the comprehensive zoning maps and improvements to our education and transportation system. ROG can take satisfaction in its many accomplishments over the years.

With the tremendous growth now taking place in the greater Owings Mills area, as well as the entire ROG community and the efforts towards the revitalization of Main Street Reisterstown, we believe ROG is needed now more than ever. In the coming year, we intend to continue our leadership role in confronting issues which arise.

ROG is only as strong as the support it receives from its membership, including attendance at the regular monthly meetings and prompt payment of your dues. If you can't attend a particular meeting, please send an alternate. You can support ROG by renewing or obtaining your membership by remitting your dues along with the form below.

The monthly meeting is held the **first Monday of every month at 7:00 PM at the Owings Mills Branch of the Baltimore County Public Library**. If a holiday falls on the first Monday, then ROG meets on the second Monday of that month.

Sincerely,

Mark Stewart, President
